SUBJECT: National Space Policy Implementation Actions (U)

National Space Policy (NSDD-293), signed by the President on January 5, 1988, directs affected Government agencies to review their current policies for consistency with this revised NSDD, and where necessary, establish policies and practices to implement the direction contained therein. As the 120-day deadline associated with these activities draws near, agencies are requested to provide a report on their progress. (C)

Specifically, agencies should report on the following topics associated with compliance: (U)

- Progress in disseminating the revised national space policy to affected agency personnel; (U)

CONFIDENTIAL

Declassify on: OADR

CONFIDENTIAL

- Agency directives that have undergone revision as a result of the new NSDD; (U)

- Any recommendations on whether the new NSDD will require submittal of legislative proposals; (U)

- Ambiguities in the new policy that may require clarification; (U)

- A description of how the revised national space policy is being implemented in the President's FY89 budgetary proposals and the outlook for favorable Congressional action. (U)

Please ensure your reports are submitted to arrive here by May 20, 1988. Questions concerning this effort should be directed to Roger DeKok of the NSC staff, 395-7350. Your cooperation is appreciated. (U)
